We Are Brimbank

Building our community

We want to know if the Draft Annual Action Plan and Budget, the Draft Financial Plan and the Draft Revenue and Rating Plan capture the top priorities of those who live, work and play in Brimbank.

The Draft Annual Action Plan includes 69 items that respond to what we've heard matters most to our community.

Community insights

So far, you've told us dumped rubbish, health and wellbeing, community space, and building stronger connections are some of the top priorities.

Now we want to know if we've got it right. Have we missed anything important?

Investing in services and growth

The Draft Annual Action Plan and Budget for 2025/2026 includes a total operating expenditure of $273.2 million to fund 76 different services, ranging from maternal and child health, arts and culture, statutory planning and parks and public realm. Also included is a capital works program of $56.7 million.

Have your say from 17 April until 15 May 2025.
