SIAG BRIMBANK

Help create a more connected Brimbank

Join the **SIAG Brimbank Partnership Roundtable** and work with local organisations and community groups to turn social inclusion priorities into action.

If your organisation works with Brimbank communities, we want to hear from you.

What is the Partnership Roundtable?

The Roundtable will bring together **4-6 organisations** to help design, plan and deliver projects that improve wellbeing, connection and belonging in Brimbank.

Projects will focus on four priorities:

- **A Warm Welcome to Brimbank**
- **Cross-Cultural Connection**
- **Intergenerational Connection**
- **Youth Participation**

Why partner with us?

- Help turn community priorities into action.
- Share your knowledge and community connections.
- Collaborate with other local organisations.
- Help shape projects that strengthen inclusion and belonging.
- Support positive change across Brimbank.

Who can apply?

Community groups and organisations that:

- are based in Brimbank or work with Brimbank residents
- operate for community benefit
- are committed to diversity and inclusion.

Community knowledge, trusted relationships and lived experience are valued.

Participation in Roundtable meetings is voluntary and unpaid. Joining the Roundtable does not guarantee project funding. Funding may be available for approved project delivery.
